

JESUS: MY SAVIOR, MY LORD, MY LIFE

Charles R. Solomon

My Savior to Calv'ry went

Vict'ry o'er Satan to win.

With bonds of love He drew me,

His Blood cleanses all my sin.

He bids me yield Him my all (Rom. 12:1)

That my mind He may renew. (Rom. 12:2)

Transformed by His mighty pow'r,

That my life He may live through.

Since I am risen with Christ--(Col.3:1)

Affections on things above, (Col.3:2)

The Lord Jesus is my life; (Col.3:4)

My life's hid with Him in Love. (Col.3:3)

My Savior, my Lord, my Life;

Worthy of glory and praise.

So long as He gives me breath,

The Cross's banner I'll raise.

Revive us again, O Lord; (Hab. 3:2)

Come in the midst of the years.

Break us from the pride of self;

Make good use of all our tears.

Worthy the Lamb that was slain (Rev. 5:12,13)

Of honor, glory and pow'r;

Get blessing Yourself, O Lord;

Come, meet us this very hour.

Chorus

I am crucified with Christ

And yet He lives in me;

I'm crucified to the world

That Jesus the world may see.
